

MEASUREMENT AND ACTIONS TO REDUCE FOOD LOSSES AND WASTE AND ENHANCE FOOD SYSTEM SUSTAINABILITY

Zaragoza (Spain), 29 May – 2 June 2023

Hour	Monday 29	Tuesday 30	Wednesday 31	Thursday 1	Friday 2
9:15-10:15	1. Opening (1 h)	5.1 FLW-Theoretical framework and strategic approaches to design and implement interventions: Theoretical frameworks (3h) J.M. Gil	6. Policy oriented interventions to reduce FLW: 6.1 Information and educational approaches 6.2 Financial and market-based instruments (2h) H. Bos-Brouwers	6. Policy oriented interventions to reduce FLW: 6.3 Regulatory instruments 6.4 Voluntary agreements and multi-stakeholders' partnerships (2h) H. Bos-Brouwers and R. Rolle	8.2 Impact assessment of Interventions to reduce Food Losses and Waste: Complementary Tools (1h) L. García-Herrero
10:15-11:15	2. Introduction (1 h) J.M. Gil		7.1 Action oriented interventions to reduce FLW across the food supply chain: Upstream segments of the food supply systems (1 h) T. Candeal	7.1 Action oriented interventions to reduce FLW across the food supply chain: Upstream segments of the food supply systems (1 h) T. Candeal	8.3 Impact assessment of Interventions to reduce Food Losses and Waste: Trade-offs and burden shifting: how to prioritize interventions (1h) L. García-Herrero
11:45-12:45	3.1 Food Losses (1 h) R. Rolle		7.2 Action oriented interventions to reduce FLW across the food supply chain: Upstream segments of the food supply systems (1 h) T. Candeal	7.2 Action oriented interventions to reduce FLW across the food supply chain: Downstream segments of the food supply systems (1h) H. Bos-Brouwers	9.3 Working Group: Presentation of Results (1 h) Gil, García, Vittuari
12:45-14:00	Lunch break				
14:00-15:00	3.2 Food Waste (1 h) R. Rolle	5.2 FLW-Theoretical framework and strategic approaches to design and implement interventions: Experimental design (3h) M. Vittuari	7.2 Action oriented interventions to reduce FLW across the food supply chain: Downstream segments of the food supply systems (1h) H. Bos-Brouwers	7.3 Action oriented interventions to reduce FLW across the food supply chain Food distribution and social protection (1 h) M. Vittuari	9.3 Working Group: Presentation of Results (1 h) J.M. Gil, L. García-Herrero, M. Vittuari
15:00-16:00	4. Institutional FLW quantification and Reporting (2 h) R. Rolle		8.1 Impact assessment of Interventions to reduce Food Losses and Waste: Evaluation Framework (1h) L. García-Herrero	8.1 Impact assessment of Interventions to reduce Food Losses and Waste: Evaluation Framework (1h) L. García-Herrero	10 Final Round Table: What's next? (2 h) J.M. Gil, L. García-Herrero, R. Rolle, M. Vittuari
17:15-18:45			9.1 Working Groups Exercises on quantification (1.5h) R. Rolle	9.2 Working Groups Exercises on impact assessment (1.5 h) J.M. Gil, L. García-Herrero, M. Vittuari
